Subject Sanction to certain additional items of expenditure in respect of the Municipal High School, Chamarajanagar

***

Adverting to G O No E 327-29/Edn 248-41-7 dated the 23rd July 1943 sanctioning, inter-alia, certain scales of expenditure in respect of the above school for the years 1943-44 and 1944-45 I have the honour to state that the Management of the school had opened an additional section in the First year class during 1943-4 to meet fully the demand for seats and also appointed an additional teacher in grade Rs 40-4-60 in consultation with the local Municipal Council Their action was approved by me The school was also found to be entitled to a grant of Rs 53/- per mensem sanctioned for 1943-44 Orders were therefore issued by this office for the payment of the maintenance grant to the school only at Rs 53 per mensem during that year

It is now reported that the Management of the school have opened an additional Section in the II Year class in addition to continuing the second section of the First Year sanctioned last year as the strength called for the same

The Managing committee of the school have resolved to appoint three additional teachers in grade Rs 40-4-60 each and a Laboratory attender in grade Rs 12-1-15 and to enhance the Drill allowance from Rs 5 to Rs 10 per mensem and the contingent grant from Rs 8 to Rs 10 per mensem The Municipal Council have approved the proposal of the managing Committee and have resolved to provide for the increased expenditure in the Municipal budget for 1944-45 Copies of resolutions of the Managing Committee of the School and the local Municipal Council together with a

with a copy of the budget estimates of the school for 1944-45 are submitted herewith

The school is eligible for a maintenance grant of Rs 83 per mensem as detailed below as against the sanctioned grant of Rs 78 1/6 per mensem during this year

Revised expenditure during 1944-45	Rs 5,736 p a
Fee income for 90 pupils in each of the I and II year classes after allowing 20 per cent freeships	3,744 p a
Net expenditure	1,992 p a
Grant admissible equal to one half of the net expenditure not exceeding Rs 100 per mensem per class	996 or 83 per mensem

I recommend that the additional items of expenditure as detailed above may be approved, the extra cost being met from the budget allotments of the school, as agreed to by the Managing Committee of the school and the local Municipal Council

I request also that the grant to the school may be permitted to be paid at Rs 83 per mensem during this year, the small extra cost of Rs 4 5/6 per mensem being met from the General savings in the provisions for grants to Municipal High Schools in the Departmental Budget

The provision for grant to this school for the next and subsequent years will be repeated at Rs 156 per mensem as sanctioned in the Government Order referred to above, so that the same may be utilised fully if there is not much difference between the expenditure as approved for the years 1945-46 and onwards and that to be incurred actually by the management during those years
